2017 RABBLE PINOT GRIS

100% Pinot Gris

LABEL STORY: *These are our single varietal wines; uncorrupted and pure.* The Rabble labels are renditions of historical wood block prints from the Nuremberg Chronicle (late 1400's), textured and tactile, depicting nature's wrath. Nature is ruthless when it goes ignored. This label illustrates the Fire breathing dragon attacking the tower of London.

VINEYARD: *Murmur Vineyard*

South facing sand slope, weathers 25° diurnal shifts, summer sun and bitter winds. Borders the most South Western portion of Santa Maria AVA, 12 miles from the Pacific. Dynamic varieties, clones, and rootstocks.

WINEMAKER'S TASTING NOTES:

Exotic aromatics of young pineapple, kiwi, lemon, flint and white flower are enhanced beautifully with more subtler notes of lemongrass, kefir lime and green guava. The fresh tropical flavors are brought into focus with medium-intensity acidity which comes from its cooler maritime growing region. The palate has lovely weight and balance while finishing nicely with vibrant flavors and salinity.
