## 2018 RABBLE SAUVIGNON BLANC

---

### 100% Sauvignon Blanc

**LABEL STORY:** *These are our single varietal wines; uncorrupted and pure.* The Rabble labels are renditions of historical wood block prints from the Nuremberg Chronicle (late 1400's), textured and tactile, depicting nature's wrath. Nature is ruthless when it goes ignored. This label illustrates the Pegasus being unchained!

### WINEMAKER'S TASTING NOTES:

Vibrant notes of grapefruit, lime, melon and lemongrass spring from the glass. Bright and juicy flavors of tangerine, gooseberry and kiwi, all twine together and dance across the palate. A touch grassy with great minerality. The natural crisp and clean acidity acts as the backbone and give the wine a cheerful liveliness. Zesty and delicious.
